

Weekly Meal Plan

April 26, 2026

Weekly Meal Plan

This balanced meal plan includes breakfast, lunch, dinner, and a snack per day, aimed at balanced nutrition (~1,800–2,200 calories daily for one adult). Adjust as needed and consult a professional for personalized advice.

Day	Breakfast	Lunch	Dinner
Snack			
-----	-----	-----	-----
-----	-----	-----	-----

| Monday | Oatmeal with banana slices, almonds, and cinnamon | Grilled chicken salad with mixed greens, tomatoes, cucumber, and olive oil dressing | Baked salmon with quinoa and steamed broccoli | Greek yogurt with berries |

| Tuesday | Whole grain toast with avocado and poached eggs | Turkey wrap with whole wheat tortilla, lettuce, spinach, and hummus | Stir fried tofu with bell peppers, onions, and brown rice | Apple with a handful of walnuts |

| Wednesday | Smoothie with spinach, banana, protein powder, and almond milk | Lentil soup with whole grain crackers and carrot sticks | Grilled lean beef with sweet potato and asparagus | Cottage cheese with cherry tomatoes |

| Thursday | Yogurt parfait with granola, strawberries, and chia seeds | Quinoa bowl with chickpeas, feta, olives, and lemon vinaigrette | Veggie pasta (zucchini noodles) with marinara and ground turkey | Pear and a few cheese cubes |

| Friday | Scrambled eggs with spinach and whole grain English muffin | Tuna salad on mixed greens with corn and black beans | Baked chicken breast with couscous and green beans | Handful of mixed nuts |

| Saturday | Oat pancakes topped with fresh fruit and maple syrup | Veggie burger on a bun with side salad | Shrimp stir fry with snap peas, carrots, and jasmine rice | Banana with peanut butter |

| Sunday | Chia pudding with mango and coconut flakes | Egg salad sandwich on whole grain bread with cucumber slices | Roasted vegetable medley with halloumi cheese and farro | Orange segments and yogurt cup |

Tips

- Prep meals ahead for convenience.
- Drink plenty of water.
- Key groceries: eggs, oats, various proteins (chicken, salmon, tofu), fresh veggies, grains (quinoa, rice), fruits, and nuts.
- Easily adaptable for vegetarian/vegan preferences.
