Quarterly Business Review

Slide 1: Title Slide

- Quarterly Business Review
- Q2 2026
- Presented by: Kwati AI Team
- Date: May 9, 2026

Welcome to our Q2 2026 Quarterly Business Review. This presentation highlights key performance metrics, achievements, challenges, and forward-looking strategies to drive continued growth.

Slide 2: Agenda

- Executive Summary
- Financial Performance
- Key Metrics Overview
- Operational Highlights
- Market Analysis
- Challenges and Risks
- Strategic Outlook and Q&A

This agenda outlines the structure of today's review, ensuring a comprehensive discussion of our business trajectory.

Slide 3: Executive Summary

- Achieved 12% YoY revenue growth, exceeding targets by 3%
- Strong performance in core markets with expanded customer base
- Operational efficiencies reduced costs by 8%
- Looking ahead: Focus on innovation and market expansion

In Q2, we demonstrated resilience and strategic execution amid economic uncertainties. Overall, the quarter positions us well for sustained momentum.

Slide 4: Financial Performance

- Revenue: \$5.2M (up 12% from Q1)
- Net Profit: \$1.1M (margin of 21%)
- Expenses: Controlled at \$4.1M, with R&D investments prioritized

- Cash Flow: Positive \$800K, supporting future initiatives

Our financials reflect disciplined management and revenue diversification. Key drivers include higher sales volumes and optimized supply chain costs.

Bar Chart: Revenue by Quarter

- Q1 2026: 4.65M
- Q2 2026: 5.2M
- Q3 2025: 4.4M
- Q4 2025: 4.8M

Slide 5: Key Metrics Overview

- Customer Acquisition: 15% increase, totaling 2,500 new clients
- Retention Rate: 92%, above industry benchmark of 85%
- Product Usage: Average 25% uplift in daily active users
- Efficiency Ratio: Improved to 65% from 70% last quarter

These metrics underscore our focus on customer-centric growth and operational excellence, directly contributing to bottom-line results.

Pie Chart: Revenue Breakdown by Segment

- Core Products: 60%
- Services: 25%
- Emerging Markets: 15%

Slide 6: Operational Highlights

- Launched two new product features, boosting user engagement by 18%
- Streamlined supply chain, reducing delivery times by 20%
- Team expansion: Added 15 specialists in sales and tech
- Sustainability: Achieved 10% reduction in carbon footprint

Operationally, Q2 marked significant advancements in innovation and efficiency, aligning with our long-term goals for scalable growth.

Slide 7: Market Analysis and Strategic Outlook

- Market Trends: Growing demand in digital transformation sectors
- Competitive Landscape: Maintained 25% market share
- Opportunities: Expansion into Asia-Pacific region
- Next Steps: Invest \$500K in R&D; target 15% growth in Q3

The market remains dynamic, with opportunities for us to capitalize on emerging trends. Our strategy emphasizes agility and proactive investment.

Slide 8: Challenges and Risks

- Supply Chain Disruptions: Mitigated through diversified suppliers
- Economic Volatility: Hedged with flexible budgeting

- Talent Retention: Enhanced programs to maintain 95% retention
- Action Plan: Quarterly risk assessments and contingency planning

While challenges persist, our proactive measures ensure minimal impact on performance.

Slide 9: Q&A and Thank You

- Open floor for questions
- Key Takeaway: Strong Q2 sets foundation for ambitious Q3 goals
- Contact: business@kwatia.com for follow-ups

Thank you for your attention. We're excited about the path ahead and welcome your insights.
